Justine Andrews, Kim Feldman, Steve

Additional Attendees:

Taudy Miller, Advisor

Item 1: Welcome and Introductions

Meeting convened at 11:00am. March meeting minutes approved by proclamation with amendment by Patrick Hogan to clarify that the HPC did not take a stance either for or against renovation of the fountain in front of the Art Annex.

Item 2: Taudy Miller Update on Capital Projects

Miller provided updates on the HEB III, Anderson, Farris/CEC, PAIS, Johnson Center, Taos Cancer Center, and Taos Health Center. Miller indicated that there are code issues for Farris. Additionally, the Cancer Center will be opened up with glass and daytime lighting. The Wright sculpture will probably be lost, but there will be an effort to relocate it. The Cancer Center project is first chilled beam project on campus and the second in Albuquerque. Bradbury-Stamm will work on the project in June when the labs are vacated for asbestos remediation. State funds and some bonds are being used.

Item 3:

Chris Grotbeck updated HPC on the Anthropology Annex Windows scope and RFP. Grotbeck, Hogan and Bellmore will attend a meeting at PPD to review the scope of work. A selection committee will be formed to review bids as soon as possible.

Item 4:

Bellmore updated on the Zimmerman National Register nomination -All documents have been submitted. A letter from Library Dean Richard Clement are on their way to Santa Fe. It is on the agenda for the June 10, 2016 HPD meeting in Santa Fe.
